

## Science Work for students in Room 1122 on 5/26/23

Students will need a Chromebook to complete the work.

They should go to my website for the instructions.

(I have posted these instructions on the "Notes and Worksheets" tab.)

1. They will watch 3 Brainpop Videos and answer questions on the Worksheet.

[www.Brainpop.com](http://www.Brainpop.com)

**Forms of Energy**

**Potential Energy**

**Kinetic Energy**

Username: **ashsd**

Password: **Secostudent**

2. They will go to [www.mrmont.com/games/crashtest.html](http://www.mrmont.com/games/crashtest.html)

Then they will do the worksheet by filling in data and answering the questions.

\*\*\*Please collect the work before they leave the classroom.
